## **Rand-Tec Insurance**

Rand-Tec Insurance Agency is committed to providing our clients with exceptional service, professional courtesy and fair pricing. As an Independent Agent, we work with several different carriers to make sure your policy is in the right hands. It also means that we don't work for one company, we work for you. We pride ourselves on treating every client with full dedication, superior customer service and professional courtesy. Whether its your business, home, life or health insurance, you will get the professional attention you deserve. We achieve this using a consultative approach to account management. Our agents will work directly with you to provide the protection you want and need. We value the relationships we form with our clients and welcome you to become part of the Rand-Tec family.
